

### **Meet & Drink Numbers Growing for the DJC**

The Dorset Junior Chamber (DJC) is celebrating the success of its Meet & Drink events in the Dorchester area, which have been so well attended that it has been necessary to move to a larger venue. From November they will be held at The Poet Laureate in Poundbury.

The events, which are held on the third Thursday of each month (with the exception of December) are going down a storm in the west of Dorset.

Speaking of the events, DJC President Katie Wilson said: "We are thrilled to see great numbers of people coming along to our Meet & Drink events in the Dorchester area and are looking forward to the move to The Poet Laureate as this is a larger venue and hopefully more convenient for our attendees. We are overwhelmed with the support we have received from the local business communities since the launch of this event in September and are really pleased to be able to welcome people who haven't previously heard of the DJC."

The Meet & Drink event is free to all attendees and offers a friendly environment in which to network and gain new business and social contacts. It is attended by DJC Council Members who are on hand to offer more information about the voluntary, not-for-profit organisation which is now in its tenth year.

Katie adds: "The DJC has a great base of members who are predominantly in Bournemouth and Poole but we are conscious that we need to be supporting members from across the county. We hope that in offering this free event to local business people we are giving them a taste of what being a DJC member can offer to their business and look forward to welcoming new members on board."
